THE TOWER

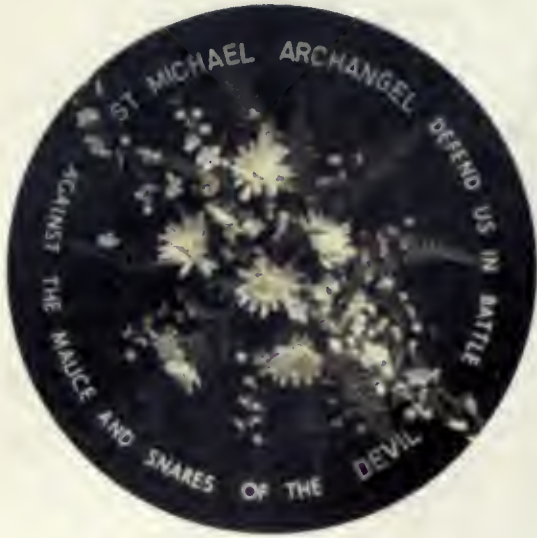

M. T. M. Mearns
C. S. B.

IT'S
A
DOUBLE
BLUE

ANNIVERSARY

125 YEARS

STRIVING FOR EXCELLENCE

In this 125th year of the school's life the TOWER takes as its theme the pursuit of excellence. Excellence should be at the heart and purpose of any school. And if you want to know what a school values as excellent, look to its motto and to its history.

A motto capsulizes the particular vision of excellence that a school cherishes. It enshrines the inspiration that filled the hearts of its founders and that has caught the imagination and hope of parents, teachers and students from one generation to the next. It is the school's history that records the effort of each of these generations to lift the motto from words embroidered in gold on the crest of a student's jacket to a lived reality in his mind and heart. Anniversaries offer the opportunity to pause and look at all of this to match the dream with the reality, the words with performance, the embroidery with the man.

THANK YOU, JOHN

IN MEMORIAM

Father Ted Flanagan died on Dec. 15th, 1977. Death, for him, as it will be for all of us, has been a doorway to an Eternal Home. Only because this heavenly home is invisible to our earthly eyes, we cannot see those who are so near to us. Yet, they are with us, lovingly waiting for the day when we, too, will enter the doorway to our Eternal Home. Life is changed, yes; but it is not taken away.

During his many years at St. Michael's, Father Ted's unique ability as a teacher carried over to the grid-iron and the ice palace. His kindness and humility coupled countless students who represent all that is best in Basilian Education. He loved to win, but he loved to win with pride and dignity.

"He believed in the mystery of Jesus' death on the Cross and was filled with hope by His glorious resurrection.

O God, answer that hope now and free Edward from the power of death and in your love raise him to everlasting life. Amen."

FOOTBALL ACTION

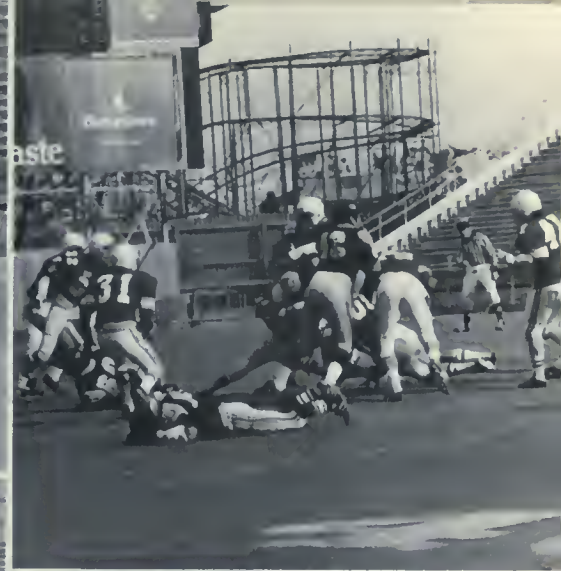

The 1977 edition of the Kerry Blues was one of the most exciting teams in recent memory. The offence was led by the record breaking duo of Q.B. John Grilli and Tight End Don Burns. This combination accounted for more than 30 T.D. 's and both were unanimous All-Stars.

The defence was led by Gino Belmonte, Steve Fera-day and Vince Agostino who also made the All-Stars along with "Moose" D'Angelo who was a tower of strength at Defensive End.

1977 was a year of many firsts with the opening of our training camp at Strawberry Island in August and our chartered flight to the Sault to play St. Mary's in the mud.

The team finished with a record of 8-3 with the final loss being to Power in the Championship Game by another narrow score. Coach Colle and his fine staff, John Mackle, Paul Dennis and Mike Flanagan hope that having our field back for 1978 will give our Kerry Blues that little extra in our quest for the T.D.C.A.A. Cup.

BANTAM HOCKEY: Despite being riddled with injuries, the Bantam Team moved from sixth place in December to finish fourth with a record of 27 wins, 12 losses and 6 ties for 60 points. After eliminating Don Mills in 3 straight games in the quarter-finals, the Bantams went on to defeat the Mississauga Reps, the second place team, in the semifinals. In 5 games they held the Mississauga team to 6 goals with 3 shut-outs along the way. Reaching the city finals with Wexford as the opposition was the highlight of the season. After a long, tough series, Wexford prevailed in the eighth and sudden death game. At Christmas they played in the Ottawa Tournament and despite having only 12 players survived to the semifinals before losing in sudden death in overtime. Their over-all record in all games was 40-19-11. It was extremely difficult to pick a most valuable player as many such as Ken Strong, Paul Gillis, Paul Fusteglio, Tony Cella and Tony Piselli all contributed so much. Jamie Wansbrough was chosen MVP. He scored 48 goals and had 54 assists over the 65 games.

MIDGET 'A': This team got off to a fast start and was only 12 points out of first place at the half-way point of the season. Unfortunately the scorer, Brian Campbell was lost to the team through injury but held on for a strong 4th place finish with a 23-16-6 record. The team bowed out after the first round of playoffs. The MVP was Joe Jackman who had an exceptional season scoring 50 goals.

MIDGET 'AA': Despite a 5th place finish in a 12 team league and a first round defeat in the playoffs, this year's Midget 'AA's had a very successful season. This team was the youngest in the city and most of them will be back for a second year. They were the only team to defeat the provincial champions - Wexford - TWICE during the regular season and they showed dramatic improvement as the year progressed. They boasted the second best defensive record in the league and, although they lost to Wexford in straight playoff games, they gave that team its STIFFEST TEST as it marched to the provincial title. Because of Shayne Kukulowicz's skills and contributions appreciated more fully by coaches and players than by fans, he earned this year's MVP award.

JUVENILE TEAM: The Juvenile Team finished this season in 2nd place with 25 wins, 10 losses and 5 ties for 55 points. The team won the first game of the quarter-finals and then withdrew from competition because of the violence that was not properly dealt with by the appropriate authorities. As a result of this courageous stand, the opposition was awarded the series. We were all aware that this was potentially a provincial championship team. There is always a price one must pay for taking a moral stand, but the price one pays to give in to violence, no one can afford. Juveniles, we are proud of your stand. The MVP on the team was the hard working Wayne McDonald.

SENIOR HOCKEY: The Seniors finished the regular season in second place with 7 wins, 4 losses and 4 ties. The team won the semifinals in two straight games against Cardinal Newman before bowing out to Michael Power in the final. The final playoff round went right to the wire and included a 4 period overtime classic. Tie standings after completing the three game series forced a fourth game that was played to an estimated crowd of 2,000. Mike Rajtek provided the leadership and was chosen the MVP.

ARENA ACTION

JUNIOR 'B' TEAM: The Jr. 'B' team surprised everyone but themselves with a 25-10-1 record. They jumped out in front of the pack and led their division all year. They won the Division Championship before losing to Oshawa in the seventh game of the series. While their success was due to great team effort, they were not without their individual stars. Rick Pikul and Mike McCann won the trophies for best goal tenders and chosen to the All-Star Team were Dan Batten, Greg Britz, Joe Gallant, Mike Pikul and Rick Pikul. Steve Bice was the leading scorer this year. Fr. Joe Brady was named the coach of the All-Star Team and elected the Coach of the Year for the OHA Metropolitan Junior 'B' League. The hard working Dan Duffy was the MVP for this edition of the St. Michael's Buzzers.

PROJECT '78

Project '78' exists to motivate our students to showing concern and generosity towards the needy.

This year, our students, through their home rooms and various activities, donated more than \$8,650.00 Most of the money went to Share Life, the Basilian Mission in Mexico and Africa, the Good Shepherd Refuge and to the McCann Family Fund. A variety of other causes were also helped.

We salute the generosity of our students!

THE SODALITY

Since St. Michael's College School is celebrating its 125th birthday, the Sodality, likewise, is celebrating its 125th birthday in this year of 1977-78. For, according to its minutes book, on Sunday, November 14, 1854, fifteen of the thirty-six students enrolled in the school were received into the Congregation of the Blessed Virgin Mary by the first Superior of St. Michael's, the Rev. M. Soulerin CSB.

Truly it is a unique distinction for any organization to claim that it dates back to the founding year, and of this honor the Sodality is justly proud. By way of interest and historical record, the fifth bishop of Toronto, Denis O'Connor CSB (1841-1911) was a member of this first Sodality.

What is the role of the Sodality at St. Michael's? Perhaps the best answer to the question is from a grade nine student: "The Sodality makes fun for others, and in doing so has fun itself." In other words, the Sodality seeks to form in the students the mind of Christ, "to be a man for others".

In summary, the programme of the Sodality involves its members in the annual food drive for the poor at Christmas, and other benevolent works for the aged and physically handicapped. Ad Multos Annos, Sodality of the Blessed Virgin Mary! May your works and numbers increase during your next 125 years.

SUBWAY OPENING

Jan. 28, 1978 saw the opening of the new Spadina Subway with a special ceremony at St. Clair West Station. The new station is of particular interest to all of us at St. Michael's providing easy access to one of the major transportation arteries. The ceremony was marked by the presence of Premier William Davis and other municipal officials. Music was provided outside by the Engineers' Band and inside by the T.T.C. Pipe Band.

Our founding fathers saw their vision of excellence best expressed in a verse from the psalms: TEACH ME GOODNESS, DISCIPLINE AND KNOWLEDGE. One can hardly imagine a better choice of motto for a school because a person who is taught to see excellence as goodness, discipline and knowledge will have a truly blessed and human learning experience. Here is meant the goodness that enthralled God, eons ago, when He gazed upon the things He had created. In the rapture of His love He sighed again and again that it was all very good. Here is meant the discipline that is more than a code of do's and don'ts, but rather a way of living taught by Christ, who is the Way, the Truth and the Life. And finally, here is meant the knowledge that bursts the bonds of the narrow categories of science, language and history and soars to the source of all knowledge, Truth, Itself.

And so it was in the hearts of the founding Basilians that St. Michael's should be a school that would bring its teachers and students into the presence of THE Teacher, Christ, because it is in Him that are hidden all the treasures of wisdom and knowledge. And His first lesson, to teachers and students alike, is that knowledge must begin with fear of the Lord. Fear of the Lord! It sounds repressive! How can you learn when you are afraid? You can't. That kind of fear comes from hate; it terrorizes and throws the mind into panic.

But there is, surprisingly, a fear that springs from love and prompts love in return. It is awakened by surpassing beauty, perfection and love of God. It inspires awe and reverence. It praises the Lord because He is the Creator and Source of all. It holds Him in highest regard and is obedient to His will. It is the fear of a loving son for a loving father and, born of love, it is very human, healthy and serene.

This is fear of the Lord and without it a person cannot begin to know himself or his world in a very balanced way. Is it repressive? On the contrary, it is supremely liberating for it carries a person to the summit of human excellence and fills him with joy. The psalmist must have spoken from experience when he wrote: Happy is the man who fears the Lord. (Psm. 112).

I would urge you, then, in this year of celebration to re-examine the school's chosen dedication to excellence. Both you and your school may tend from time to time to see excellence only in success on examinations or in victory at games, viewing anything less than this as failure or defeat. Your motto would support this: it urges excellence in the things of the spirit. Excellence is good people doing good things. This was and is the Lord's intention for all of us; it was what He had in mind when He set out to create us in His image and likeness.

IN MEMORY OF BRIAN

SPRING SHOWER

The birds will sing, the heavens sigh,
And all the world will be on high.
The clouds drift by on gossamer wings,
While high above a jet streaks by.
As if in anger about the intrusion,
The heavens create a false illusion.
The sky turns grey, an ugly tone,
While high above the forces moan,
And in a flash the world is enraged,
No longer at peace or serene
The ground reverberates to the sound of thunder,
And the heavens split open with
Jagged flashes of Zeus' spawning.
Then the air is quiet as a Sunday morning,
The skies are shining with a new glory,
As if cleansed of an earlier sin.
And the birds fly back to the realm.
